August, 2007

Dear Parents,

The 2007-2008 school year is here. The beginning of the school year is always exciting and filled with high expectations. We are looking forward to a very successful year.

I am writing to encourage you to become a Partner-In-Education. Our Partners-In-Education Program provides our students and teachers with much needed assistance. I hope you will take a few minutes to read over the program guidelines on the back of this sheet, fill out the attached form, and send it back to school with your child.

Thank you for your support. We look forward to working with you.

Sincerely,

Tamara L. Leib
Principal

Guidelines for Partners-In-Education

1. Please be sure the teacher understands the kinds of volunteer tasks you are interested in performing.
2. If you have special talents that may be beneficial, please let the teachers know (art, music, photography, hobbies, etc.)
3. When working with an individual student or small group of students, let the teacher know about any misbehavior or any difficulties students have with lesson content.
4. Discuss tasks and/or students only with the teacher involved. Discussion with other teachers or parents is not appropriate. Students and the parents have the right to expect that student privacy will be honored.

The "Partners-In-Education" program has completed thirty years of support for our educational program. These guidelines will help assure another successful joint effort on the part of the school and the parents. Thanks in advance for all your hard work this year.

BELLE VALLEY SOUTH

Partners-In-Education

Name _____ Date _____
