To celebrate Responsibility, the word of the month, you can write an essay about the relationship between your age and level of responsibility. How do responsibilities differ for people your age and for older adults? How has your sense of responsibility changed as you have gotten older? At what age should we become totally responsible and accountable for our actions? This essay must be at least one and a half pages, and in essay form, including an introduction, body, and conclusion paragraphs. The essay is due October 28th to Ms. Dancy. You will receive \$300.00 in character cash and you can choose for some of your essay to be read during the morning announcements.
